

September 2016

Dear Pastor Shannon and Church Family,

Grace be unto you and peace from God our Father and from our Lord and Savior Jesus Christ.

Thank you so much for your prayer and partnering with us. It's been a busy summer last July and August I drove for three long days I slept at the rest area. I been to Wyoming and Colorado State and ministered to some churches there and presented the ministry in the Philippines. I thank the Lord when I was in Colorado and preached to one of the church there I saw the hand of God is moved and touched the heart of one young man there and he surrendered his life in the full time service to our Lord Jesus Christ and he want to become a Pastor. God is still in the business of saving soul and calling to do the great commission.

I want to apologies because the last time I gave you a prayer letter I mentioned that I'm going home on August. I supposed to go home but this friend of mine asked me a favor if I could stay for two more months we supposed to travel together and he needs company and I decided to stay. He has crossed eye because his Mom want to abort him. Last September 8 he had a surgery Praise the Lord he had a successful surgery.

This is the village church that we helped in the Philippines. We're not there to help them by man power but through prayers and financial assistance we have part in that ministry. Every soul that will save in that new building you have part because you invest to God's ministry.

Philippians 4:17 Not because I desire a gift: but I desire fruit that may abound to your account.

On October 27, I am flying back to the Philippines I am excited to begin the next phase of the ministry to which God has called me. I covet your prayers as I begin our ministry there. I am going to start another mission work when I get there as soon as possible.

Regarding to my support I'm still under supported right now I have \$600 monthly basis to my goal \$1500 a monthly support. Also I'm praying for \$7,000 that I could bring to the Philippines that I will be using to buy a plastic chair for the new mission work that I'm going to start. We will be having sports fellowship and also that I used for our transportation because I don't have car I need to pay for the transportation to go to my mission field, also to rent a house that we can gather and start a service every Sunday. I'm praying for a church or individual that could give us a onetime gift for the cause of Christ to provide that needs or any amount that you could contribute it would be a big help for us.

If you have any question you can call me to this number (740)350-1431
